Re: Housing Assistance

This is a reminder to all members of the Kitsumkalum First Nation who are seeking on-reserve housing assistance.

On December 18, 2014 Kitsumkalum Chief and Council adopted a new Kitsumkalum housing policy that is intended to assist with the effective delivery and administration of housing services to the community and membership of Kitsumkalum.

With the adoption of the new housing policy, all applications that remained on file prior to December 18, 2014 became null and void. As some applications had been on file for many years the information contained was dated and inaccurate.

The new Kitsumkalum housing policy requires that applications for housing assistance be maintained on file for a period no longer than five (5) years. The purpose of this change is to ensure that decisions regarding housing assistance are determined and based on the most accurate and up-to-date applicant information.

If you are seeking housing assistance in Kitsumkalum, please stop by the office of Housing and Property Management and pick-up a new HOUSING APPLICATION.
